

Chapter Quick Start Guide

1. Identify the Chapter

1.1 Verify that a chapter does not already exist in the desired community:

- Visit <https://cloudsecurityalliance.org/chapters/global>
- Or contact chapters@cloudsecurityalliance.org

1.2 Scope the regional boundary:

- Choose a boundary that the chapter can support - city, state, country or region.
- Make sure the scope of the chapter can be realistically supported by the leadership team.

1.3 Name the chapter:

Use a name that is easy to understand and makes sense for the geographical location of the chapter. For example, the Atlanta Chapter or the Georgia Chapter.

2. Form a Board

2.1 Begin with a minimum of 5 volunteers who want to serve:

President, Secretary, Membership Director, Treasurer, and Program Director (events/meetings).

2.2 Include a mix of organizations/businesses:

No more than two people should be on the board from the same company.
Schedule a board meeting - in person or by phone conferencing.

2.3 Add additional roles as needed:

Sponsorship.

Venue and catering (often provided by sponsors).

Partnering with other related local groups and events.

Creating and managing an online presence:

- Administration of a website, Meet-up group, LinkedIn/social media groups, etc.
- Assign primary and backup administrators and access.

3. Create a list of 20 or more members

- Include the Board of Directors.
- Label the Board member roles.
- Include LinkedIn URLs for each of the 20 members, including the Board.

4. Download and complete the online application

- <https://cloudsecurityalliance.org/chapters/>

5. Submit application

- Send the application form to: chapters@cloudsecurityalliance.org.
- CSA Global will review the chapter application and arrange a meeting with the chapter.
- CSA Global informs the chapter of acceptance.
- Upon confirmation, chapter moves forward to host their 1st event.
